

Memorial Tree Program

Cartersville Parks & Recreation

A tree makes a lovely gift or memorial, while contributing to the beauty and variety of a park landscape. It spreads strength and splendor across the years, becoming a lasting recognition or remembrance.

Tree Selection and Location

A tree may be selected from a variety of species chosen for the beauty of their growth and fall color. The Parks and Recreation Department will plant these trees, based on the appropriate planting season for the species selected.

The Parks and Recreation staff will assist you in selecting a tree, park and planting location. The Cartersville Parks and Recreation Master Plan will be used in helping in this process. The Parks and Recreation Department reserves the right to move or replace any donated tree. The replacement of the tree is guaranteed for the first year.

Cost

The cost is based on the current tree and market prices. It includes the purchase and installation of the tree and marker.

Markers

The polished granite markers are 10" x 16" x 4". It can include your loved one's name and some special wording from you. The marker will hold a total of five lines of text.

To order a tree, please call Britt McGill at the Parks and Recreation Department at 770-607-6175. Our staff can assist you with the process of selecting a tree and deciding on the wording for the marker.

The best time to plant a tree was 20 years ago. The next best time is now.
