

Attachment I

Permit Acknowledgement of

Lead-Based Paint, Asbestos, and Other Environmental Issues

Under Georgia Environmental Protection Division (EPD) for

Projects Involving Renovation, Repair, Painting or Demolition

The undersigned hereby acknowledges that the issuance of this permit does not in any way grant permission to the owner, owner's representative, or permit holder to proceed without complying with the environmental requirements of the Georgia Environmental Protection Division (EPD). There is the potential for multiple environmental issues, including but not limited to, Lead-Based Paint, Asbestos, Solid Waste, and Demolition requirements. The requirements depend upon the nature of the project and the type of building(s) involved in the project. The Georgia EPD Rules may require training, licenses, certifications, and EPD notification in addition to your city/local permit. The Rules include, but are not limited to:

Lead-Based Paint Hazard Management (LBP Activities & RRP)

Georgia/EPA Asbestos NESHAP

Georgia Asbestos Removal & Encapsulation

Georgia Comprehensive Solid Waste

More information regarding the EPD requirements can be found on their website. For asbestos and demolition information, see <https://epd.georgia.gov/asbestos>. For lead-based paint and renovation information, see <https://epd.georgia.gov/lead-based-paint>. You may also contact the Duty Officer of the Lead-Based Paint & Asbestos Program at 404-363-7026.
