

GEORGIA STATE MINIMUM STANDARD CODES

January 1, 2021

On October 1, 1991, the Uniform Codes Act became effective in Georgia. On July 1, 2004, this Act was revised to make the following construction codes mandatory as the Georgia State Minimum Standard Codes. Listed below are the code editions in effect as of January 1, 2021:

| | |
|--|--------------|
| International Building Code | 2018 Edition |
| International Residential Code | 2018 Edition |
| International Plumbing Code | 2018 Edition |
| International Mechanical Code | 2018 Edition |
| International Fuel Gas Code | 2018 Edition |
| International Energy Conservation Code | 2015 Edition |
| International Fire Code | 2018 Edition |
| National Electrical Code | 2020 Edition |
| International Swimming Pool and Spa Code | 2018 Edition |

The Act requires local governments that elect to enforce these codes within their jurisdictions to adopt administrative procedures and penalties in order to locally enforce any of these mandatory codes. Also, any applicable appendices of these codes must be adopted locally in order to be enforceable within a specific local jurisdiction.

The Act also made the following optional codes available for local government adoption and enforcement. Local governments choosing to enforce any of the below optional codes must adopt the code(s) they wish to enforce, as well as administrative procedures and penalties.

| | |
|---|--------------|
| International Property Maintenance Code | 2018 Edition |
| International Existing Building Code | 2018 Edition |
| National Green Building Standard | 2008 Edition |
| Disaster Resilient Building Code IBC Appendix | 2020 Edition |
| Disaster Resilient Building Code IRC Appendix | 2020 Edition |

The Georgia Amendments are available at the below web link:

<https://www.dca.ga.gov/local-government-assistance/construction-codes-industrialized-buildings/construction-codes>

The DCA Board specifically omitted the plumbing, electrical, and energy requirements of the International Residential Code for One- and Two-Family Dwellings. Therefore, the plumbing requirements of the International Plumbing Code, the electrical requirements of the National Electrical Code, and the energy requirements of the International Energy Conservation Code must be used for one- and two-family dwelling construction.

If you need assistance in establishing or updating construction codes enforcement program in your area, please contact DCA's Construction Codes Program at (404) 679-3118 or codes@dca.ga.gov
