Qualified Contractors for IFC 510 and Emergency Responder Radio Coverage Testing

No recommendation is given or implied by the Cartersville Fire Marshal's Office.

Initial needs testing and final commissioning testing must be performed by an approved contractor (See list below). Final acceptance inspections are completed by Cartersville Fire Marshal's Office (FMO) personnel.

Plans must be reviewed and approved by the FMO prior to installation of or modification to an IFC 510/ERRC system. Only firms with persons holding a FCC "General Radio Operators" can be issued a permit **and** installation must be supervised by the licensed technicians.
