

ADDENDUM 1

RFP – 22-01 LEAK CORRECTION,
REPLASTER AND EXPANSION JOINT REPLACEMENT

Mandatory Meeting

September 22, 2021

Attending: Aquatic Consulting & Equipment and Poolside Inc.

Questions:

1. When was the pool last renovated? 2012
2. What was the original pool design? T shape 3'6" – 13'. 7 lanes in the competition area where the bulkhead is now
3. Due to noticing the misshape in plaster, has pool been replastered before? Yes, at time of renovation.
4. What is the timeline for the project completion? Work time line will be determined by winning proposer based on proposed current pricing for labor and material as well as job specific needs met that are sensitive to timing and ideal conditions.
