330 S. Erwin Street, Cartersville, GA 30120

Addendum to Requests for Bid

The following addendum has been added to the bid documents posted on February 15, 2024, by The City of Cartersville for:

**Removal and replacement of metal roof at
Various Public Works Buildings**

Item #1: All roof and gutter materials and colors to match the existing Public Works Office building at 330 S. Erwin Street, Cartersville, Georgia. Roof materials are 24-gauge, 2" mechanical metal panels. Prior to contract execution, Public Works will require a sample of the material to be used for inspection.
