Project Description: The work to be performed shall consist of furnishing all materials, tools, and equipment and performing all labor necessary for constructing water system improvements as set forth in the Bid, as shown on the Drawings, and as Specified. The work generally consists of replacing pumps, foundation slab, and piping inside the existing pump station building, and yard piping connections to the existing water system within the pump station site and GA Power Right-of-way. The work also includes installing all-new electrical gear, VFDs, and installing a new 450 kW Diesel Generator.

Bids shall contain prices, in words and figures, for the work bid on. All bids shall be submitted on the bid form included in the Contract documents. All bids must be accompanied by a certified check, or a bid bond of a reputable bonding company authorized to do business in the State of Georgia, in an amount equal to at least ten percent (10%) of the total amount of the bid. The bid bond shall be prepared on the form of the bid bond attached to the Contract Documents or a surety company's standard bid bond, duly executed by the Bidder as principal and having as surety thereon a surety company licensed to do business in the State of Georgia and listed in the latest issue of the United States Treasury Circular 570. Upon the proper execution of the agreement and required bonds, the checks or bid bonds of all bidders will be returned to them.

All bidders must be licensed contractors as required by Georgia Law Code 43-14-8.2, State of Georgia. The utility contractor license number shall be written on the face of the bid envelope; otherwise, the bid shall not be opened. If two envelopes are used, this information must also appear on the outer envelope.

A contract performance bond and payment bond, each in an amount equal to one hundred percent (100%) of the agreement amount, will be required of the successful bidder.

Drawings, Specifications and Contract Documents may be obtained in electronic PDF format by emailing Ahmed Annaim, P.E. of Wiedeman and Singleton, Inc. at aaa@wiedeman.com. Hard copies of these documents will not be sold by Wiedeman and Singleton, Inc.

Refer to other bidding requirements described in Document 00 21 13 (Instructions to Bidders).

If any person contemplating submitting a bid for the project is in doubt as to the true meaning of any part of the Drawings, Specifications, or other Contract Documents, or as to the scope of any part of the work, he shall submit to the Design Consultant a written request for an interpretation thereof. All requests can be sent Mr. Ahmed An-naim, P.E. via email at aaa@wiedeman.com. Answers to submitted questions will be available on the company website www.wiedeman.com. The person submitting the request will be

responsible for its prompt delivery in ample time for an interpretation to be issued before the bid opening date. All requests shall be submitted by 2:00 PM local time 7 days prior to the bid opening date. All Requests will be answered promptly and up to 7 days prior to the bid opening.

Only general contractors that have been previously pre-qualified for this specific project may submit a bid.

No submitted bid may be withdrawn for a period of sixty (60) days after the scheduled closing time for the receipt of bids.

The Owner reserves the right to accept or reject any or all Bids and to waive informalities.
